Good Grief

We are all grieving. It may come with the death of those we love and cannot fathom life without. We may grieve those who are no longer or never were who we need(ed) them to be. We may grieve the loss of health, work, identity, independence, friends, pets, or the home, country or faith community we once knew. We are taught to grieve alone, or that time alone will heal, but to come through it, we often need others, respectful and compassionate, to listen, support and guide. This group, led by Suncrest Hospice Chaplain, Patricia Wagner, will follow a 5-step, 5 session path toward self-understanding, growth and recovery of life. All are welcome

Senior Camp

Resident Bill had a wonderful time at Senior Camp at Blacklick Metro Park! He enjoyed a day of fishing, playing Bingo, and learning about some of the amazing animals currently being rehabilitated at the Wildlife Center. It was a fun-filled day of outdoor adventure, learning, and making memories!

Feel Good Music

Feel Good Music is more than just a music program—it's a journey through the stories, artists, and inspiration behind the songs we love. Volunteer Jim Ward selects a different theme for each program and creates a musical experience that explores the artists, the era, and the stories that inspired the music. Join us two Fridays a month at 1:30 PM in the Theater for an entertaining trip down memory lane!

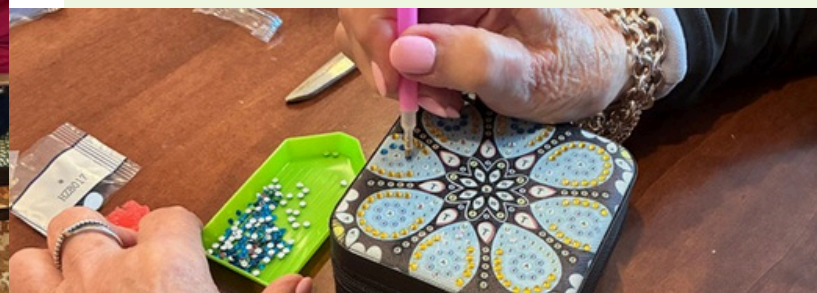

We Will Never Forget

We gathered together to remember and honor the lives lost on September 11, 2001, with a special remembrance ceremony. We also delivered a meal basket to our local fire department as a small gesture of gratitude for the brave men and women who serve and protect our community every day.

Shining Through the Years

Our theme for Assisted Living Week was "Shining Through the Years," so our residents got creative and made beautiful diamond art jewelry boxes! It was a fun way to celebrate their creativity while honoring all the memories and experiences that make each of their lives shine.

Flower Bar for Assisted Living Week

As part of Assisted Living Week, we set up a special Flower Bar for our team members to create beautiful arrangements for our AL residents. Everyone had fun choosing their favorite blooms and picking out pretty little vases to create their own masterpieces. The best part was delivering the arrangements to our residents' rooms and seeing their faces light up with a little extra brightness and joy!

Concert by Bill Cohen

We enjoyed a wonderful, interactive trip back to the 1950s with Bill Cohen! Bill performed favorite songs from throughout the decade while sharing historical facts and fun trivia. He even brought memorabilia from the era, sparking lots of wonderful memories and reminiscing among our residents. It was a nostalgic evening filled with music, laughter, and memories!

WWII Veterans Honored

We were honored to celebrate three of our WWII veterans—Harold, Bill, and Marie—at Huntington Park with Honor Flight Columbus and the Columbus Clippers! They were invited onto the field, introduced to the crowd, and recognized with a heartfelt thank-you for their service to our country. Marie even had the honor of throwing out the ceremonial first pitch! Afterward, we enjoyed a wonderful evening cheering on the Clippers, complete with plenty of ballpark favorites and concessions. It was truly special celebrating three incredible veterans!

Grandparent's Day Brunch

We celebrated National Grandparents Day with a delicious brunch filled with good food, family, and wonderful memories! Chef Bob and his crew prepared an incredible smorgasbord for our residents and their families, creating a beautiful gathering for everyone to enjoy. It was so special to see our residents spending quality time with the people they love. A big thank-you to our Front of House Manager, Danielle, and all of our wonderful servers for helping make the day so enjoyable and running so smoothly!
