

Resident Spotlight

HI, my name is Ginger Mountin and I recently moved into StoryPoint.
I grew up in Richfield MN. I have 3 kids, 2 boys that live out of state and 1 daughter that lives in Mankato. In my spare time I love to sew, knit & read. I worked in long term care for 30+ years and retired as a Registered Nurse after 46 years.

Employee Spotlight

Hi, Im Theresa Jordan the lead cook on the culinary team.
Ive been with the company for a few months and I spend most of my days working on Cooking and prepping meals. In the past I worked at Vista Praire, North Pointe, & Welcome Manor as a cook which taught me a lot about cooking and adapting to different people. Outside of work you can usually find me making memories with family.
I enjoy being outdoors and keeping myself busy.

Community Updates

As you can see our building is under construction as we replace our roof with new shingles. We continue to thank you for your patience and apologize for any inconveniences caused during the time of repair. It’s election month, so please use your right to vote on November 11. Residents are encouraged to ask Friends and Family to provide transportation to the polling location and also encouraged to sign-up and use the shuttle bus. Please keep in mind that in addition to all the other shuttle destinations on November 3, departure and pick-up times may take longer than usual, so your patience will be appreciated. It’s also that time of season we begin decorating our community for the Christmas season. We plan on decorating on November 19. We will be decorating all day and encourage Residents to volunteer to assist in “Decking the Halls”.
