Volunteers Needed

Would you like to sign up to volunteer for a special activity or for a certain part of the day in Memory Care? Contact Ron Schuster at 616-848-6226 for more information on these opportunities.

Movement in Memory Care

We take great effort in keeping our Memory Care Community in motion. This is not just exercise groups and cardio-drumming; it is finding ways to get residents out of their Memory Care space and bring programs and activities into Memory Care. Watch closely, and you will continue to see that this is the most active area of our Community.

Friendship Bracelets

"What's up with all these bracelets you see on the residents?" Well, our residents have formed friendships with young people in South Haven. These youth make bracelets with them, and the residents proudly wear them as a token of their friendship. It is one of the heartwarming sights we get to see in our community.

Memory Care Family Social Event

Please join us for our "Friendshipgiving" gathering on November 24 at 6:00 PM. We will be preparing a variety of Fall desserts and taking time to reflect and give thanks for the many blessings in our lives.
