Get ready for an unforgettable journey around the world during Biannual Week, happening Monday August 17th through Friday the 21st!

Spend the week exploring cultures from across the globe through food, music, dance, films, and hands-on activities.

Experience everything from a traditional Japanese tea ceremony to the mesmerizing movements of Middle Eastern belly dancers. Discover Germany by learning about its famous beer culture while making your own pretzels, then travel to Latin America to enjoy the tropical sounds of steel drums, sip authentic Latin American coffee, and watch the vibrant performances of Folklorico dancers.

But the adventure doesn't stop there! Each day, you and your floor neighbors will take on exciting challenges and activities to earn passport stamps. Every event you attend gets your passport stamped, and the floor with the highest participation by the end of the week will be crowned the champion of this year's Amazing Race Challenge!

This is your chance to enjoy a week of fun, friendly competition while immersing yourself in the beauty, traditions, and diversity of cultures from around the world.
