

Looking Back in December

In December StoryPoint Romeoville celebrated the upcoming holidays in many ways. Our performers in the Pub sang all our holiday favorites. We played a special round of holiday Songo. December brunch featured a beautiful trio playing music while families enjoyed a holiday meal. We also had carolers visit singing for our residents and they brought a special green friend with them! Our We Care Wednesday team, as well as our CorsoCare team, also bought presents for children being placed for adoption!
